NURSING

"[I]t is now more apparent than ever that the courageous efforts of educators to embrace the role of thoughtful, reflective innovators who work collaboratively with each other and alongside their students to explore new learning models, new digital learning environments, and new approaches to working, learning, and sharing is essential if we want technology to be an effective tool to transform learning."

-Joseph South, Director of Office of Educational Technology, U.S. Department of Education

Reimagined Role of Technology in Nontraditional Nursing Education

1. Eligibility

Erudite Nursing Institute™ is closed to the General Public; all applicants must be eligible to apply under the national accreditation standards for nontraditional nursing education in order to apply. Nontraditional students are those whom presently have a qualifying background in the medical field, having achieved significant patient care experience.

National Accreditation

TECHNOLOGICALLY ADVANCED

Distinguished Graduates

CHOOSE ONE (1): 5-Week LPN. 7-Week RN. 9-Week BSN. 12-Week MSN.*

2. Apply

Submit your application and fee with proof of your experience.

3. Sign Up

After submitting your completed application, sign up to access Student Web Portal (SWP). From the SWP, you may apply for Financial Aid, as well as credit exemptions and transfer. If accepted, complete enrollment and prepare to begin class.
